

Dear Patient:

Welcome! Thank you for choosing our office to care for your dental needs. At our office we practice state-of-the-art metal free dentistry using bonded restorations and white fillings. We emphasize educating patients in maintaining and protecting their smiles. Our goal is to be the most caring, complete and value-oriented practice for our patients.

Dr. Rauter is a graduate of the University of Missouri-Kansas City School of Dentistry and has been practicing in the northeast valley since 1992. He is a member of the American Dental Association, Arizona State Dental Association, Academy of General Dentistry and a graduate of the Las Vegas Institute for Advanced Dental Cosmetics. Dr. Rauter believes continuing education is the foundation for quality dentistry.

We will do our best to discuss the treatment, fees, and services we plan to provide so one is prepared to take care of financial obligations at their appointment. We believe patients' deserve our individual attention. Scheduling one patient at a time allows us to focus on the patient's specific needs. In return, we ask that you give at least a 24 hour advanced cancellation notice or there is a charge for broken appointments.

Enclosed you will find your Patient Information Sheet and Health History Forms. Please fill out these forms and bring them to your appointment.

Our practice is built on referrals. We depend on people like you to refer family and friends to our office. We will do everything possible to make your dental appointment a wonderful experience. Again, thank you for selecting our dental practice to care for your dental needs.

Sincerely,

Dr. Kevin A. Rauter & Staff
